

Be cautious of job scams!

Accepting employment in exchange for a 'placement fee' is a crime and Seriti will NEVER ask you to make a payment for employment.

Be wary of people posing on social media and in surrounding communities as representatives of Seriti's resourcing staff, offering interviews, assessments and employment in return for payment.

Potential jobseekers should be vigilant for unscrupulous people and agencies that ask for 'placement fees' or any favours in exchange for employment, interviews, medical examinations or assessments at Seriti. **If anyone requests money in exchange for placing you in a job, report them via our anonymous hotline on 0800 005 790 or make an anonymous report online at seriti.ethicspoint.com.**
